

INSTANT BINGO TICKETS

TWO WAYS TO WIN!

HOW TO PLAY

Instant Bingo Tickets are similar to additional paper bingo cards, since they are played along with a normal bingo game. They're like a game within a game. You may purchase Instant Bingo Tickets from a designated floor clerk for \$1 per ticket.

TWO WAYS TO WIN!

Your Instant Bingo Ticket could be an instant winner or a Bingo Hold ticket.

INSTANT WINNERS

Match all three symbols and instantly win a cash prize—up to \$100!

BINGO HOLD TICKETS

If your ticket shows three bingo balls, you have a Bingo Hold ticket—with a 1 in 25 chance to win a cash prize of up to \$1,000*. Once we announce the designated game, play along on your Bingo Hold ticket. Daub the numbers on your ticket as they're called, just like you would on a paper bingo card. If you're the first one to match all three balls on your Bingo Hold ticket with the numbers called during the designated game, yell, "BINGO!" We'll verify your bingo and you win CASH!

**If any Instant Bingo Ticket game does not sell out to its entirety, the game will automatically become a 50/50 prize (Instant Bingo Ticket sales minus instant winners paid) divided by two.*
